## A SUDDEN TWINGE

Of pain is generally the first warning of an attack of rheumatism. It feels as if the discom were in the bones or muscles, but the real cause of rheumatism is found in impure blood. In order to cure rheumatism the blood must be cleansed of the poisonous impurities which are the cause of the disease.

Dr. Pierce's Golden Medical Discovery has been very successful in the cure of rheumatism, because it entirely cleanses the blood from the poisonous uric acid which is the cause of the disease.

"Your Golden Medical Discovery" cured me of rheumatism after I had tried a dozen remedies without relief and was unable to move. I was advised to use Dr. Pierce's Golden Medical Discovery, and in four months and a half after I began using it I was a well man and have had no touch of it for the past seven months."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose. Therefore accept no substitute for "Golden Medical Discovery."

These tiny, sugar-coated anti-bilious granules regulate and invigorate Stomach, Liver and Bowels. Do not forget the "pill habit," but cure constipation. One or two each day for a laxative and regulator, three or four for an active cathartic. Once tried always in favor. Put up in vials: always fresh and reliable.

## HAIR NATURALLY ABUNDANT.

When It Is Free of Dandruff, It Grows Luxuriantly.

Hair preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and, so far, the only hair preparation that will positively destroy the germ is Nephro's Herpicide—absolutely harmless, free from grease, salicylic acid, or dangerous drugs. It allays itching instantly; makes hair glossy and soft as silk. "Destroy the germ, you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

E. S. Leadbeater & Sons, Special Agents.

## Two Dyspeptics

If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean the fat-producing foods that you eat are not properly digested and assimilated.

Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatine.

## Kodol Dyspepsia Cure

contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant, but it is a reconstructive tissue building tonic as well. Kodol cures Indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

## Digests What You Eat

Rests the stomach, rebuilds the tissues and gives firm flesh.

Dollar bottle holds 1 1/2 times as much as the trial, or 50 cent size.

## RUSSIA ASKS PEACE TERMS.

A dispatch from St. Petersburg says that as a result of the meeting of the Council of Ministers held at Tsarskoe Selo Tuesday instructions were telegraphed yesterday afternoon to the Russian Ambassadors at Washington and Paris to the effect that Russia is desirous of learning Japan's peace conditions.

With Ambassador Meyer's delivery to Emperor Tuesday afternoon of President Roosevelt's message tendering his good offices, the prospect of the President's efforts to bring the belligerents together in peace negotiations is believed to be distinctly brighter.

It is equally evident that the situation is an exceedingly delicate one, Ambassador Meyer, when seen last night absolutely declining to say a word regarding his visit to Tsarskoe Selo, the mission with which he is charged or the Emperor's response.

The center of interest is again transferred back to Washington. Count Cassini has doubtless received instructions from the Emperor. However, it will probably require some little time to finally decide whether success shall crown the President's efforts to end the war.

President Roosevelt should be in possession of Emperor Nicholas's response to his tender of good offices.

The efforts which President Roosevelt has been making to bring the belligerents together entered on a distinctly new phase Tuesday night. Foreign Minister Lamsdorff had an audience of the Emperor in the afternoon upon the subject of Ambassador Cassini's communication, and at 11 o'clock Tuesday night Ambassador Meyer called upon Count Lamsdorff at the chancellery and remained with the Foreign Minister for sometime. There is reason to believe that the visit was in obedience to instructions from Washington conveying a personal communication from the President to the Emperor tendering his good offices.

The result was that yesterday Mr. Meyer went to Tsarskoe-Selo in full uniform, and was received in special audience by the Emperor. Upon his return to St. Petersburg yesterday afternoon Mr. Meyer hastened to the embassy, whence he sent a long cipher dispatch to Washington. Half an hour later he was closeted with Sir Charles Hardinge, the British ambassador.

The present situation is extremely delicate and the greatest reticence is observed. The Foreign Office was deserted, yesterday being the Empress's birthday, and at the American Embassy no statement could be procured yesterday afternoon.

Nevertheless, there are some collateral indications that the Emperor's response was favorable. The sudden retirement of the French foreign minister, M. Delcasse, who was regarded as not only one of the strongest supporters of the dual alliance, but as one of the staunchest friends of Russia, was a great blow to Russia, and rendered President Roosevelt's friendly tender particularly opportune. Besides, it is known that the Emperor has been strongly advised if he decided to open peace negotiations, to do so through President Roosevelt.

## KARR A DEFAULTER.

Mr. William W. Karr, who has for nearly two years been the disbursing officer of the Smithsonian Institution and the National Museum in Washington, was arrested yesterday evening on a warrant charging the embezzlement of \$40,000 and \$50,000 passing through his hands as an official of the government. Mr. Karr was a young man of very high standing when he went to Washington nearly 20 years ago to enter the service of the Smithsonian Institution. There he has always been held in the highest regard and has been considered one of the best accountants in the service. The alleged defalcation, which is said to have been admitted by the accused, extended through a period of many years and was so cleverly covered up in the books of the disbursing officer that it would probably not have been discovered had it not been for the fact that Mr. Karr went just a little too far and overdrawed the accounts of the institution with the Treasury Department.

The discrepancy was discovered Tuesday when Prof. S. P. Langley, secretary of the institution, received notice from Ellis H. Roberts, Treasurer of the United States, that a warrant on the Treasury could not be paid because the Smithsonian's fund in the Treasury had been overdrawn. The books of Mr. Karr were examined and showed that there ought to be between \$40,000 and \$50,000 in the Treasury to the credit of the institution. Secretary Langley held a conference with Assistant Secretary Richard Rathbun, and later Tuesday afternoon ex-Senator John B. Henderson, of Iowa one of the regents of the Smithsonian, was consulted. Mr. Henderson went over the books with the other officials of the institution, and an examination of them led to the conclusion that Mr. Karr's accounts were short. The facts were turned over to the United States District Attorney, who yesterday afternoon issued a warrant, upon which the arrest was made about 5 o'clock by Detectives McNamee, Muller and Peck.

## Torture of a Preacher.

The story of the torture of Rev. O. D. Moore, pastor of the Baptist church, of Harpersville, N. Y., will interest you. He says: "I suffered agonies, because of a persistent cough, resulting from the grip. I had to sleep sitting up in bed. I tried many remedies without relief, until I took Dr. King's Cough Discovery for Consumption Coughs and Colds, which entirely cured my cough, and saved me from consumption. A grand cure for diseased conditions of Throat and Lungs. At E. S. Leadbeater & Sons, druggists, price 50c and \$1.00, guaranteed. Trial bottle free."

## Let Common Sense Decide

Do you honestly believe, that coffee sold loose (in bulk), exposed to dust, germs and insects, passing through many hands (some of them not over-clean), "blended," you don't know how or by whom, is fit for your use? Of course you don't. But

## LION COFFEE

is another story. The green berries, selected by keen judges at the plantation, are skillfully roasted at our factories, where precautions you would not dream of are taken to secure perfect cleanliness, flavor, strength and uniformity.

From the time the coffee leaves the factory no hand touches it till it is opened in your kitchen.

This has made LION COFFEE the LEADER OF ALL PACKAGE COFFEES.

Millions of American Homes welcome LION COFFEE daily. There is no stronger proof of merit than continued and increasing popularity. "Quality survives all opposition."

## Quality vs. Quantity.

Hard muscles and strong body do not depend on the quantity of food you eat, but on its perfect digestion and proper assimilation. When you take Kodol, Dyspepsia Cure, your system gets all the nourishment out of all the food you eat. It digests what you eat regardless of the condition of the stomach and conveys the nutrient properties to the blood and tissues. This builds up and strengthens the entire system. Kodol cures Indigestion, Dyspepsia, Bloating, Sour Stomach, Weak Heart, etc. Sold by W. F. Creighton, 401 King Street, and corner Queen and Patrick.

## TO THE OWNERS OF DOGS.

Mayor's Office. Alexandria, Va., June 1, 1905.

All persons owning or intending to keep any animal of the dog or canine species must come forward on or before

JUNE FIFTEENTH, 1905, and take out a license for the same from the Auditor. After the NINETEENTH OF JUNE all persons owning or harboring dogs without the required license can be fined (as the laws on the subject require) \$5 for every dog so owned or harbored.

Complaint has been frequently made that many persons fail to take out their license, and that others pay on one or two dogs when owning and harboring more, or who send such dogs away during the summer months and bring them back in the fall.

Attention has been called to this evasion of the law, and the policemen will report all such cases, and fines can be imposed upon those who fail to take out licenses after trial in the Police Court.

The police officers will be required to report all violations of this law.

In order to avoid any mistakes persons who make application for licenses should do well to write their names and number of residence, street, &c., on a card or paper when making application for their licenses to the Auditor.

FRED J. PAFF, Mayor. License and Tag, \$1.50.
